About the Show:

- Show sold out early in 2025.
- Get immediate business - over 50% of the attendees from our 2025 shows were looking to purchase within 6 months.
- The longest running manufacturing show in New England.
- Promotional radius to include: MA, CT, NY, NH, RI, VT, and ME.
- A convenient alternative to downtown Boston, the trade center is located within minutes of four major highways: I-90/Mass Pike, I-495, I-290, and I-95.
- Easiest set-up and breakdown of any tradeshow in the region – no union fees or extra drayage costs.
- Free on-site parking for attendees and exhibitors.

Market at a Glance:

- Manufacturing in Massachusetts remains a powerhouse. In 2024, the industry contributed nearly \$63 billion to the state's gross domestic product, accounting for about 8.4% of Massachusetts' economy. (**MassMEP**)
- As of September 2025, the state of Massachusetts is home to 5,931 manufacturing companies employing 324,066 workers. (**Industry Select**)
- Top manufacturing companies in Massachusetts include Alexion Pharmaceuticals, Biogen, Bose, Boston Scientific Corp, Bruker Corp, Dell EMC, Depuy Synthes Products, and Kronos. (**Industry Select**)
- According to **CNBC's** latest list of "America's Top States for Business," Massachusetts ranks #4 nationally in Technology & Innovation. (**CNBC**)
- Massachusetts' world-class workforce and educational institutions make the state a central location for the export of cutting-edge technology. Massachusetts' medical equipment, high tech instruments, and industrial machinery are in high demand across the globe, with Massachusetts' exports totaling \$77 billion annually. (**USGLC**)
