TE Connectivity
Teleflex Medical

About the Show:

- Located in Oaks, PA, just northwest of King of Prussia, the Greater Philadelphia Expo Center offers direct access to major Mid-Atlantic routes including the Pennsylvania Turnpike, Route 422, Route 202, I-76, and I-476.
- Philadelphia International Airport is approximately 45–50 minutes from the Greater Philadelphia Expo Center, providing access to a major domestic and international air travel hub.
- The Greater Philadelphia Expo Center is one of the largest suburban exhibition centers on the East Coast, offering up to 240,000 square feet of uninterrupted exhibit space on a single floor.
- The Expo Center offers more than 5,000 free on-site parking spaces, making arrival and parking convenient for exhibitors and attendees.

Market at a Glance:

- Pennsylvania remains one of the nation's strongest manufacturing states, with manufacturing contributing more than \$112 billion in annual output and supporting more than 562,000 jobs statewide. (Pennsylvania Manufacturers' Association / PA Gets It Done)
- The Greater Philadelphia region supports a deep advanced manufacturing base, with more than 5,600 manufacturers employing approximately 190,000 workers across biopharmaceuticals, chemicals, plastics, food, aerospace, and related sectors. (Select Greater Philadelphia)
- Recent biomanufacturing investment is strengthening the local supply chain, including GSK's planned \$1.2 billion investment in a new biologics facility in Upper Merion, Montgomery County. (GSK / Select Greater Philadelphia)
